Hey there! I am an experienced graphic designer looking to be part of a team that solves the challenges of marketing. I excel at being adaptive to all types of assignments and project requirements; from blank paper, to print - and beyond.

Work Experience:

2018-Present

Graphic Designer, Acme Brick Company

I create brand assets for web and print; ads, billboards, signage, promo items, virtual and in person tradeshow booth graphics, social media and more. Maintain our internal catalog of over 200 brick and elevation images to assist sales. Run eblast newsletters. Assist in creation and content population of websites. Video and audio editing. Created multiple catalogs, logos, internal company manuals and handbooks. Photography assistant. Generalist.

2010-2018

Director of Graphics & Marketing, Concrete Results, Inc.

In charge of entire creative marketing for consulting company, its sister companies, and clients. Manage all social media presence. Create new content for print and web, maintain contact lists, create and maintain websites. Creation, quotation and fulfillment for all design to print needs; catalogs, brochures, flyers, etc.

2015-2017

Yearbook Contractor, Nolan Catholic HS

Managed a group of 15 students to create two volumes of their 160 page, high school yearbook. Taught basic design ideas, worked in Online Design by Walsworth Yearbooks. Maintained a budget, interfaced with office staff and yearbook rep. Second year created whole book from scratch as program was ended.

2008-2010

Digital Prepress Specialist, Platinum Direct

File prep for HP Indigo Press, variable data print items in OPS software, Mirus/Anchor software certified for layout of variable mail on Xerox printers.
